

## **The Order of Dean on the process of on-site practical training education at the Faculty of Pharmacy, Comenius University Bratislava in the summer semester 2022**

On-site courses at the Faculty of Pharmacy of Comenius University Bratislava (hereinafter FaPh CU), in the summer semester 2022, are carried out according to the Dean's decision of 04.03.2022, the provisions of the relevant decrees of the Public Health Office of the Slovak Republic (<https://www.uvzsr.sk/>) as follows:

1. The on-site method is implemented for all practical training courses with no limits in room capacity.
2. The on-site method with no limits in room capacity or distance/online method or hybrid method is implemented for all seminars.
3. Distance/online method is implemented for all lectures.
4. The obligation is to adequately cover the upper respiratory tract (nose and mouth) using a respirator during on-site courses in all areas of FaPh CU buildings until this obligation is called off.
5. The department is obliged to ensure that the scope and method of the on-site pedagogical and research process are chosen to provide currently valid safety, hygiene, and anti-epidemic measures, for which the department is responsible.
6. This order cancels the effect of The Order of Dean on the process of on-site practical training education at the Faculty of Pharmacy, Comenius University Bratislava in the summer semester 2022 from 08.02.2022

In Bratislava, 4.3.2022

prof. PharmDr. Ján Klimas, PhD., MPH.  
dean
