

## Requirements for passing the subject TOXICOLOGY - updated on April 20, 2020

### TOXICOLOGY

#### Summer Term 2019/2020

Due to the suspension of classroom education at the Faculty of Pharmacy, Comenius University in Bratislava, the requirements for successful completion of the subjects are changed as follows:

**Online examination via multiple choice test** in the university E-learning/Moodle system, for passing **at least 50%** of maximum score is required.

<https://moodle.uniba.sk/moodle/moodle19/login/cosign.php>

The examination test has **30 questions** (for topics see syllabus of lectures and seminars of the current semester, particularly those presentations uploaded in Moodle). For each question there is a choice of 4 possible responses, of which at least one is correct. The time for passing the test is 45 minutes.

Mark and score: A – 100-90%; B – 89-80%; C – 79-70%; D – 69-60%; E – 59-50%
