

The beginning of the academic year in the library

- important notice for students

First year students **can use the services of the library after the matriculation and validation of the ISIC.**

Students in higher years **have to** meet all liabilities (to return the literature and to pay overdue fines)!

The literature is lent **after the beginning of the winter semester of the academic year 2019/2020, the September 23rd, 2019.**

The time of loans – **56 days/8 weeks** with the possibility to prolong for **14 days/2 weeks.**

The literature is stored on the first shelves (available without placing a request in the online catalogue) according to the year and semester and **electronic versions** are available in the online catalogue.

Literature in English is available in the bookstore.

Available literature will be published on the web site on the September 23rd, 2019.
