## Recognition of courses and credits completed at Comenius University Bratislava, Faculty of Pharmacy

Under Art. 18 of the Study Code of the Comenius University Bratislava, Faculty of Pharmacy (hereinafter "SC" and "Fakulty"), a student may apply in written form for recognition of completed courses, credits, and grades from previous unfinished studies at FPharm CU, if no more than 4 years have elapsed since they acquired bachelor's study and no more than 5 years in 1st and 2nd degree of master's study, and their completion was evaluated with a grade of A to D, no later than the day of the beginning of study in winter semester. The Dean decides on recognizing courses, credits, and grades based on the teacher's statement of relevant course. Altogether, in one academic year, the student can have recognized courses in max. value of 50 credits.
