Recognition of courses and credits completed at Faculty of Pharmacy, Comenius University in Bratislava

Under Art. 18 of the Study Code of the Faculty of Pharmacy, Comenius University (hereinafter "SC"), a student may apply in written form for recognition of completed courses, credits, and grades from previous unfinished studies at FPharm CU, **if no more than 4 years have elapsed since they acquired bachelor's study and no more than 5 years in 1st and 2nd degree of master's study**, and their completion **was evaluated with a grade of A to D, no later than the day of the beginning of study in winter semester**. The Dean decides on recognizing courses, credits, and grades based on the teacher's statement of relevant course. Altogether, **in one academic year**, the student can have recognized courses **in max value of 50 credits**. At the same time, following the SC, the student **must complete in each academic year** (except for the last one) courses in value of 40 credits, in the study of which he/she will **actively participate**.

The Rector may grant an exemption from recognizing the maximum value of credits based on a proposal from the Dean of the Faculty.
